# Electronic Discovery for Trial Attorneys

May 20, 2009

San Francisco, CA

Hyatt Regency San Francisco

[www.bridgeportce.com](http://www.bridgeportce.com)

The world of electronic discovery is growing more complex and larger every day. The stakes are higher than ever for electronic discovery and records retention. This one-day program will be a primer on the technology, terminology and key legal and practical issues involved in electronic discovery and document management. It provides a step-by-step framework for taking electronic data from discovery through trial.

13636 Ventura Blvd. #215  
Sherman Oaks, CA 91423

## About the Program

The world of electronic discovery is growing more complex and larger every day. The stakes are higher than ever for electronic discovery and records retention. This one-day program will be a primer on the technology, terminology and key legal and practical issues involved in electronic discovery and document management. It provides a step-by-step framework for taking electronic data from discovery through trial.
